Overview of your Cataract Surgery Process

Your surgery will be: **Surgery Date** ____/____/____ **RIGHT/LEFT**

- Sterling Surgical Center (Slidell, LA)
- Our Lady of the Lake, Slidell (Slidell, LA)
- Ochsner Outpatient Surgery Suite (Slidell, LA)
- Our Lady of the Lake Pontchartrain Surgery Center (Covington, LA)
- Avala (Covington, LA)

1. Discontinue contact lens wear 3 weeks prior to your pre-operative appointment.
2. Discontinue Flomax 2 weeks prior to your surgery date.
3. You must receive a surgical clearance from your Doctor, this must be received at least 1 week prior to your surgery date to avoid cancellation.
4. Return for your **pre-operative appointment** on ____/____/____
5. Your surgery center will call you with your surgery time. Please arrange for transportation to and from surgery, expect to be at the surgery center for 2-3 hours.
6. Begin to use your drops from OSRX, 1 day before your surgery.
7. Do not eat or drink anything after midnight the day before surgery. You may take your daily medications with a small amount of water. Avoid taking medications that must be taken with food.
8. Do wear comfortable clothes and shoes, do NOT wear make-up.
9. Follow the instructions and restrictions given to you by us and the surgery center.
10. Your 1st post-op appointment is: ____/____/____

Instructions for after your Cataract Surgery

For the 7 days following your cataract surgery

- 1. No bending or leaning over.**
- 2. Do not lift anything over 10 pounds.**
- 3. Do not rub your eyes.**
- 4. Do not get water in your eyes.** You may wash around your eyes with a warm damp cloth.
- 5. Always wear your eye shield while sleeping** to prevent accidental pressure being placed on your eye. The shield may be removed in the morning.

Please continue to follow instructions on eye drop sheet.
